MINUTES OF PSMA ALTERNATIVE ENERGY COMMITTEE MEETING May 26, 2015.

Attendees: Martin Fornage, Michael Harrison, Joe Horzepa and John McManus

The main focus of the meeting was to develop a theme and speaker ideas for APEC 2016 in Long Beach CA. The tentative title for the AE Industry Session is "Alternative Energy in High Penetration Areas". Michael Harrison and Martin Fornage of Enphase Energy have compiled a list of possible speakers, several from CA. They will disseminate this list and the AE Committee will review and comment on the names and companies/associations at the next meeting.

Our next AE Committee meeting is scheduled for Tuesday June 23 at noon PCT/3:00 EST.
