

PSMA Energy Management Committee Meeting Minutes

@ Tue May 24, 2022 11AM – noon (Central) by Zoom

Attendees:

Patrick Le Fevre, Ed Herbert, Ada Cheng, Dinesh Kithany, Arnold Alderman, Lincoln Xue, John Horzepa, Mike Hayes, and David Chen

Agenda:

1. Appliance Energy Efficiency Regulations Roadmap Project
 - a. Slide deck
 - i. Introduction and background – Arnold/David (group reviewed added content)
 - ii. External power supplies and battery chargers – Giorgia/David
 - iii. Electronic displays, including monitors and TVs – David
 - iv. Standby regulations – David
 - v. Global major home appliance market – Dinesh (to streamline slides w/bold bullets only)
 - vi. Digitalization in energy – topic in discussion with Andrei pending schedule
 - b. 2022 webinar series target schedule = summer kick-off, then a deep dive every 2 months, culminating in a summary webinar for PTR in 2023
 - c. Default position of committee is NOT to charge for attendance
2. APEC 2023 Industry Session brainstorming – lead ideas are still a. and c. below (Per Lincoln, DOE's Wyatt Merrill is also very interested in both of these areas...)
 - a. Strategies, Innovations, and R&D to Meet Energy Efficiency Regulations
 - b. Renewables
 - c. Power Innovations and Technologies Enabling Smart Buildings and Cities
 - i. Fault-managed digital power delivery
 - d. Mission-critical Systems
 - e. Environmental, Social, and Governance (ESG) Criteria
 - f. Digitalization and AI in Energy Management Decision-Making (new idea from Mike)
3. Collaborations
 - a. Dual-input AC and DC power supply standards for appliances (Brian Patterson, EMerge Alliance)
 - i. Seeking liaison to review/comment on emerging standards and make broader membership aware of activities
 - b. IPC (Tracy Riggan, Sr. Director, Business Development, or Kelly Scanlon, Director of Environment, Health, and Safety Policy and Research)
 - i. Can speak to membership on environmental policies impacting the electronics manufacturing supply chain
 - ii. Host webinar jointly with Safety and Compliance committee? APEC 2023 IS?
 - c. Transportation Committee (Fred)
 - i. Seeking liaison to help coordinate crossover activities
 - ii. Transportation workshop in June

Next meeting

@ Tue June 21, 2022 11:00-noon (Central)
