APEC 2021 Industry Sessions:

1. With APEC moving from March to June, the calendar for session deadlines (submittals, approvals, presentations due, etc) is reset:
 - Nov 23 is proposal submittal deadline (past)
 - January 11 is the notification/approval
 - March 26: final presos due.

Accordingly we will set the January Semi Com meeting for January 14, 10am central time to allow soonest speaker selection and notification.

- 2. Possible speaker slates (NOTE: Please be careful NOT to commit a speaking slot to anyone since our sessions have not been approved yet . Nor do we know the number of speakers that will be approved for each session. Please do reach out (with committee contacts listed below) and gage GENERAL, non committed INTEREST to participate subject to later approval.**
